

COMPANY PROFILE

Kwetjiwe Consulting (Pty) Ltd

COMPANY BACKGROUND

KWETJIWE Consulting (Pty) Ltd is a Business and Financial Solutions Consulting company. We provide a unique service for companies that want to re-invest, grow or raise Capital for their business

We do full Capital-raising Consulting, which includes advisory services on each and every transaction we work on, amongst other Business Solutions services. We are the bridge between our clients and the Funder. We work with our clients to make sure that they realize their dreams in acquiring funds for their business existence, wealth and survival.

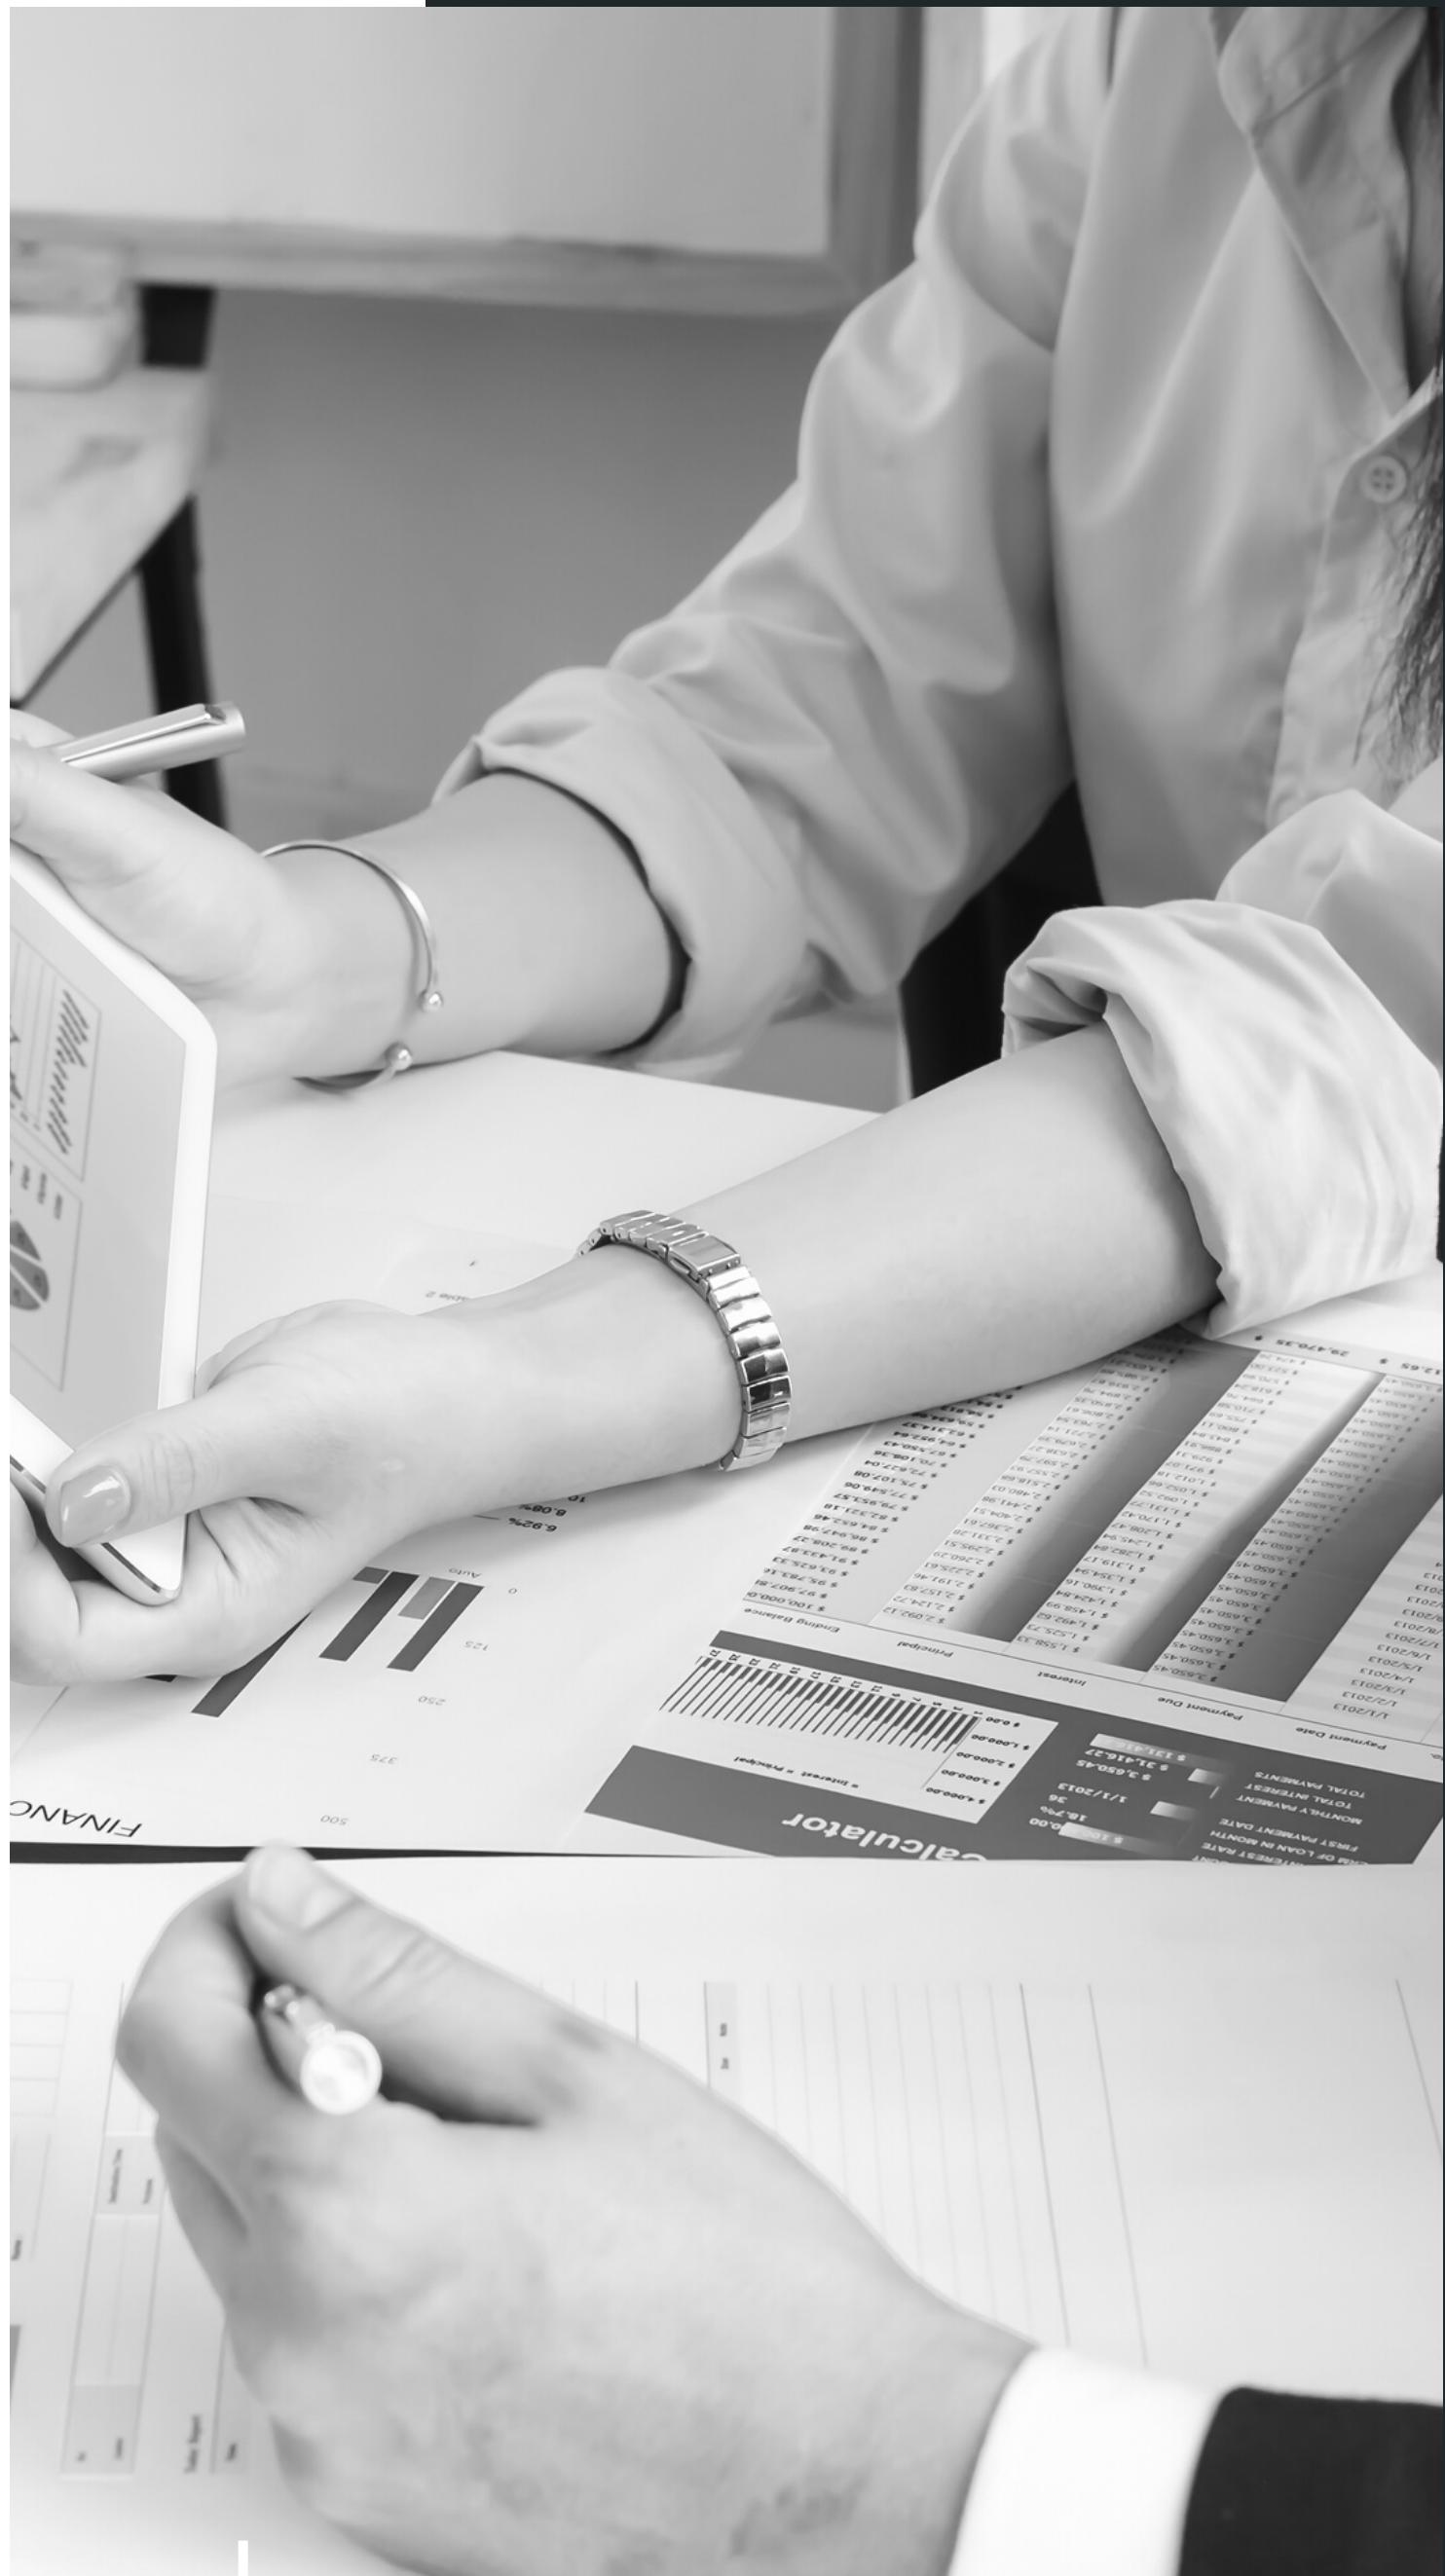

OUR MISSION

- Creating reliability to our clients by being precise and offer a holistic Capital Raising Business Solutions

OUR VISION

- To be a leader in raising Capital for companies that will bring economic emancipation to South Africa and Africa

ABOUT THE OWNER

MILESTONES

Business Unit Manager

CEO

- **Mafuleng Investments - CEO**

Mr Bodibe Sibusiso Sylvester Leballo graduated at Midrand Graduate Institute (MGI) for his Diploma in Marketing Management.

Mr Leballo has an extensive record and experience of over 15 years as an entrepreneur and in the field of marketing.

He worked for leading companies in South Africa under Sales and Marketing departments, where his highlight career move was when he was hired by Crossroads (under Cross Cape Road Freight), as Government & Parastatal Business Unit Manager, a position in middle management.

He then saw an opportunity to start his own business with a vision of using those skills as a hunter that he learned from sales environment to source business by identifying opportunities, leading and guiding the company, using management skills learned.

KWETJIWE Consulting, a subsidiary of BODIBE BATHABA Holdings (Pty) Ltd, we structure our clients transactions according to the Funder's expectations, provide advisory services about that transaction and walk with our client till approval of the transaction.
